

ABOUT FINANCE MAGNATES AWARDS

For almost a decade, The London Summit Awards are celebrating the achievements of leading brands that have excelled in their respective fields of business, making them some of the most sought-after industry titles. The online voting process is designed to provide the entire industry a voice in deciding the winners each year.

This year the awards are going virtual and the winners will be announced at the Virtual Summit on 18 November 2020!

THE AWARDS PROCESS

The Awards process consists of three separate stages to determine the nominees, finalists and winners. During each round, thousands of industry participants cast their vote to decide who will take home the prestigious trophies.

NOMINATION ROUND

Identifies the *nominees* in each category

FIRST VOTING ROUND

Identifies the *finalists* in each category

FINAL VOTING ROUND

Identifies the *winners* in each category

WHO CAN NOMINATE AND VOTE?

- All confirmed attendees of the Virtual Summit are able to nominate and vote
- Nominations and voting is free of charge
- In order to nominate or vote, the user must be registered and approved via the Virtual Summit registration
- Self-nominations: companies can nominate themselves
- Third party: users can nominate other companies
- Registering for the Summit solely for the purpose of voting (and not for attending) is strictly prohibited and can lead to exclusion of the nominated firm and nullification of attendee status
- Attendees must register with a corporate email address. Personal or inauthentic emails will be disqualified.

HOW DOES THE NOMINATION PROCESS WORK?

To submit your nomination please go through the following steps:

1. Complete your registration to the Virtual Summit.
2. Log in to the event's website with the username and password.
3. Fill out the Nomination Form and make sure to complete all mandatory fields before clicking 'submit'.

Please note:

- To submit a nomination, your registration to the Virtual Summit has to be completed and confirmed.
- The awards categories belong to the online trading, digital assets & blockchain, fintech and payments industry verticals. Therefore, any firm whose business activity falls within them can be nominated.
- Each company can be nominated in up to three categories.
- All nominations are vetted by Finance Magnates to ensure category relevancy

HOW DOES THE VOTING PROCESS WORK?

1. First Voting Round will identify the finalists in every category that will proceed to the final voting round
2. Final Voting Round will identify the winners in every category
3. Winners Announced at the Virtual Summit Awards Ceremony on 18 November 2020

- Only registered, approved and logged in users will be able to vote
- Each user can vote only once
